Total Acidity: 7.6 g/L

ALC: 13%

Production: 202 cases

TASTING NOTES

papaya, bay leaf, succulent

Sunrise is high-toned and high-style. It prefers glamping over roughing it on the landscape, manicured grass over uncultivated terrain, and is always prepared to provide the most gracious hospitality to all that it encounters. As one of our longest-lived *lieux-dits* and the only site we work with on Cayuga Lake, Sunrise has a penchant for making friends and a yearning to be in the spotlight.

Just as it unfolds on the hillside of Cayuga Lake, a sight of meticulous refinement, the wine of Sunrise is also neatly layered and without subtlety, putting all dimensions of its gem (Riesling) on display. Driven by flavor, ripeness, and minerality, it is forward but not showy, exaggerated but sincere. Just as the perfect host, it greets you warmly and seeks to feed curiosities and pleasure.
